## HURLED

Chair Through Window—  
Winds Up In County Jail

Jerry Smith, colored, of Marion street was placed in the county jail shortly before noon Tuesday by Officer Walter George and was slated held for warrant. Smith was slightly under the influence of liquor and had put on a "show" at his home. He grabbed a chair and threw it through the window and then started out to raise a disturbance in the neighborhood. In the meantime a call was sent for the police and Officer George hastened to the scene in the patrol wagon. Smith was loaded in and was placed in jail. Some of the neighbors said they would appear before the mayor and place a charge against the man.

### Old Age

Old age as it comes in the orderly process of nature is a beautiful and majestic thing. It stands for experience, knowledge, wisdom, counsel. That is old age as it should be, but old age as it often is means poor digestion, torpid bowels, a sluggish liver and a general feeling of ill health, despondency and misery. This in almost every instance is wholly unnecessary. One of Chamberlain's Tablets taken immediately after supper will improve the digestion, tone up the liver and regulate the bowels. That feeling of despondency will give way to one of hope and good cheer. For sale by all dealers.

### RAN NEEDLE IN FOOT

Oren, the one-year-old son of Policeman and Mrs. Walter George of South Rogers street, pierced his left foot with a needle while playing Monday afternoon. The child was on the floor by the side of his mother who was mending clothing and stepped on the sharp point of the needle. A physician was called and the steel was removed from the foot.

### The Best Cough Medicine

"I have used Chamberlain's Cough Remedy ever since I have been keeping house," says L. C. Hames, of Marbury, Ala. "I consider it one of the best remedies I ever used. My children have all taken it and it works like a charm. For colds and whooping cough it is excellent." For sale by all dealers.

### MRS. BENNETT RECOVERING

Mrs. Ora Bennett of West High street, who has been taking treatment at the Medical and Surgical Sanitarium for some time, was sufficiently recovered Monday afternoon to be removed to her home.

### Don't You Believe It

Some say that chronic constipation cannot be cured. Don't you believe it. Chamberlain's Tablets have cured others—why not you. Give them a trial. They cost only a quarter. For sale by all dealers.
